Cohesity Academy

Cohesity Academy delivers world-class training and best practices for Cohesity solutions. Deepen your knowledge of AI-ready data, cyber resiliency, enterprise data security, and multicloud data management. Our expertly designed coursework equips technical professionals with the knowledge and skills to drive meaningful business outcomes.

Haley Heter

VP, Education

My favorite quote is by Henry David Thoreau: *“Go confidently in the direction of your dreams. Live the life you’ve imagined.”*

We established Cohesity Academy to help you with career advancement and I hope you take advantage of the courses and earn valuable credentials! Dream big.

Accelerate your Career with Cohesity Academy

COURSES & CERTIFICATIONS OVERVIEW

COURSES

Whether you'd like to improve your organization's agility or advance your personal career, our award-winning courses put you on the fast track. Deepen your knowledge of AI-ready data, cyber resiliency, enterprise data security, and multicloud data management with our world-class training and certifications. We offer role-based and solution-based courses including, DataProtect, SmartFiles, NetBackup, NetBackup Appliances, and much more.

CERTIFICATIONS

Cohesity Certifications allow technical professionals to demonstrate their Cohesity data management skills and mastery of complex concepts and tasks encountered in real-world environments. We recommend six months of experience with the respective certification field. Exams are proctored and cost \$200 each. Certifications remain valid for two years from the exam date.

How Cohesity Academy Delivers Training

FREE SELF-PACED eCOURSES

Start your data security and management learning journey anytime, anywhere. Complete multimedia learning modules to maximize your Cohesity investment.

SELF-PACED eCOURSES WITH LABS

Gain access to a set of hands-on, real world lab activities to inspire improved clarity and understanding of Cohesity's data management solutions. These virtual labs come with guided step-by-step activities on administering, configuring, and managing Cohesity products.

INSTRUCTOR-LED TRAINING

Engage with our experts and your peers in other industries during interactive learning sessions with hands-on labs and exercises that improve your data management strategies and optimize your use of Cohesity.

DEDICATED TEAM TRAINING

Maximize your investment with private, dedicated training focused on the skills and labs your team needs for Cohesity success. Delivered virtually or face-to-face. Dedicated-Team Courses are chosen from the Instructor-Led Training list.

FAQs

COHESITY ACADEMY

1. WHAT IS COHESITY ACADEMY?

Cohesity Academy is a unified training, accreditation, and certification program for sales and technical professionals and offered to Cohesity partners and customers. Expertly designed coursework and training materials provide a foundation for you to gain the most out of your Cohesity solutions. Combine your knowledge and skills with real-world experience to achieve valuable accreditations and globally recognized industry certifications.

2. WHAT ARE COHESITY CERTIFICATIONS?

Certifications are for Cohesity partners and customers. The certification exams are professionally administered and proctored by a third-party organization. Certifications provide proof of your knowledge and expertise in different roles of data management. Certifications are recognized around the globe.

[Click here for more information.](#)

3. WHAT ARE DIGITAL BADGES?

Digital badges are a way for you to instantly showcase your achievements and gain credibility with your customers, prospects, leadership, and peers. Metadata is built into the badges, providing important information about your skills and achievements—a valuable tool to enhance your career and your personal brand. They are easy to share on LinkedIn, Twitter, Facebook, and blogs.

4. WHAT ARE THE BENEFITS OF COHESITY BADGES?

Our badges incorporate analytics to show a progression path and advancing knowledge and skills of data management, providing insight to others into how our program and learner is performing.

5. HOW CAN I RETRIEVE MY CERTIFICATION BADGE(S)?

We've partnered with Credly, a widely used registry third-party organization, to provide you with a digital version of your credentials. You will receive an email from Credly with your certification badge within 10 days of passing an exam.

Got more questions?

[Check out our FAQ page.](#) contact academy@cohesity.com or reach out to your Cohesity channel manager. Learn more about Cohesity Academy on [Cohesity.com](https://www.cohesity.com)

CERTIFICATIONS

1. HOW ARE CERTIFICATION EXAMS ADMINISTERED AND HOW DO I SCHEDULE AN EXAM?

First, ensure you have a MyCohesity account so we can connect your score to Cohesity. Certifications are delivered and proctored through a third-party organization.

2. IS THERE TRAINING FOR THE CERTIFICATION EXAM? HOW DO I PREPARE?

We do not require coursework prior to taking an exam, but we do have courses to support you as you learn and we also recommend six (6) months on-the-job experience. To supplement your knowledge, Cohesity provides optional training courses, a study guide, and a practice exam to help you prepare for each certification exam.

3. WHEN DOES COHESITY CERTIFICATION EXPIRE?

Cohesity certification expires two (2) years from the date you pass your exam.

4. WHEN WILL I GET MY EXAM RESULTS?

Preliminary results are provided immediately after the exam.

5. CAN I RETAKE MY EXAM IF I FAIL?

Yes, you may retake the exam after 14 days.

6. HOW CAN I GET MY CERTIFICATE OF COMPLETION?

The certificate of completion will be issued and available in your Cohesity Academy account within three weeks after passing. Once the certificates are available, you will need to log in to your MyCohesity account and access Cohesity Academy.

7. HOW DO I CONTACT THE 3RD PARTY EXAM COMPANY?

[Equipment Requirements](#)

[Real-Time Chat](#)

[Ticket Support \(for non-urgent matters\)](#)

Phone: 1-855-772-8678

GENERAL AND FEES

1. AS A CUSTOMER, HOW CAN I FIND COURSES?

With a MyCohesity account activated, using the same email, you simply visit [Cohesity Academy](#) on MyCohesity for available learning opportunities.

2. HOW DO I FIND MY TRANSCRIPT?

To find your transcript, click on the User Menu (hamburger icon in the top left corner) and scroll down to My Activities. Click on Courses or Learning Plans to see your training completions and status of courses.

3. HOW DO I DOWNLOAD MY COMPLETION OF COURSE ATTENDANCE CERTIFICATE?

There are two options:

1. Go to My Courses and Learning Plans and click on the course title of a completed course. Then, click on the “Download Your Certificate” button in the upper right corner.
2. Alternatively, click on the User Menu (hamburger icon in the top left corner) and scroll down to My Activities. Click on Courses or Learning Plans to see your training completions. You will see an award icon to the far right of the course title. Click on the award icon to download a copy of your certificate.

4. HOW DO I CHANGE MY EMAIL ADDRESS?

Please email support@cohesity.com and include first name, last name with the email addresses you are changing from and to. This will create a ticket for a team member to help assist.

5. CERTIFICATION FEES

To become certified, there is an associated cost of \$200 with each proctored exam.

Badges & Social Media

At Cohesity, we provide the tools to help you achieve your professional goals and share your credentials online. Through our partnership with Credly, you'll receive digital badges that highlight your certifications, accreditations, and course completions. These badges include analytics to track progress and demonstrate your growing expertise in data management—making it easy to showcase your skills to a global audience.

How it works:

1. Receive an email from Credly within one day of passing an exam.
2. Claim your badge
3. Start sharing! Add your badge to LinkedIn, your email signature, blogs and more.

BADGES FAQs

1. WHAT IS AN OPEN BADGE?

Open badges are web-enabled versions of a credential, certification, or learning outcome that can be verified online in real time.

2. HOW DOES MY CERTIFICATION GET DISPLAYED AS A BADGE?

Each certification badge is issued and managed through Credly, which is based on the Open Badge Standards maintained by IMS Global. You can manage, share, and verify your competencies digitally through Credly.

3. HOW WILL I KNOW IF I'VE EARNED A BADGE?

You will receive an email notification from Credly with instructions for setting up your account and claiming your badge.

4. WHAT IF I DON'T WANT MY BADGE TO BE PUBLIC?

You can configure your privacy settings in Credly. You're in complete control of the information about yourself that is made public.

5. WHAT PREVENTS OTHERS FROM COPYING MY BADGE AND USING IT?

Badges are data image files that are uniquely identified to data hosted by Credly. The link to the verified data makes them more reliable and secure than a paper-based certificate. It also eliminates the possibility of anyone claiming your credential and your associated identity.

6. WHERE AND HOW CAN I SHARE MY BADGE THROUGH CREDLY?

Share your badge directly from Credly on LinkedIn, and other social media platforms. You can use it in email, on a website, and in your email signature.

7. CAN I EXPORT BADGES ISSUED THROUGH CREDLY TO OTHER BADGE-STORING PLATFORMS?

Yes. You can download your badge from the Credly Share Badge page. Your downloaded badge contains Open Badge Infrastructure (OBI) metadata. This allows you to store your badge on the other OBI-compliant badge sites, such as the Mozilla backpack.

Terms & Conditions

COURSE MATERIALS

The Course Materials are provided for the sole use of the person attending classes and may not be used by any other person, reproduced, distributed, or modified in any way without the prior written permission of Cohesity.

INTELLECTUAL PROPERTY
